Faith as the Cloud

by Rev. Dr. Keith Herron

The Bible speaks of faith in a wide variety of ways ... narrative, poetry, song, parables, correspondence, prophecy, wisdom sayings, pithy stories, comedy, tragedy, & fairy tale (myth), proclamation/preaching ... lions & tigers and bears, oh my!

Some have been raised to think there is only one faith, only one way of believing, only one way of living the faith life. I suppose in some pedantic way, that may be true, but when it comes to living the faith, to accepting the challenge of making faith 3-dimensional in our lives, it's also true faith is like a cloud that hangs suspended above us floating at the whimsy of an unseen wind.

A while back, I was sitting outdoors reading a book when I decided to stretch my neck and rest my thoughts by

Welcome to Countryside!

Let us offer you a warm Countryside welcome. As a community, we place great value on welcoming ALL to an open and affirming community where we celebrate and rest in a God who loves us beyond our wildest imaginations. We invite you to journey with us as we work together with the guidance of the Spirit, seeking those places where we are called to participate with God toward the fullest expression of who we are created to be. As a congregation of the United Church of Christ, we believe the greatest expression of the Body of Christ is found in the local congregation, and each person in our community has a unique conversation with God that serves the whole. Countryside is a place where God is still speaking to us and to our community. Each of us is called to discern that voice and act on that discovery. We welcome you and invite you to participate with us in this calling.

Our Mission We're an inclusive, open, and affirming family of faith, welcoming all to God's table of love and acceptance. We're diverse, yet united by Christ's example. We care for one another, support one another, and challenge one another to become all that God creates us to be. We work together to nurture our community and promote peace, equality, and justice in our conflicted world.,

New Visitor to Countryside? If you're a first-time visitor to Countryside, please let us know! We'd like to present you with a gift of our gratitude for visiting with us. Please stop by the Welcome Center in the Church foyer!

Common Grounds from 5-7 p.m. before the Ash Wednesday service begins at 7 p.m. This is a great opportunity to connect with other members of the community, build relationships, and share a meal together. This event is open to all members of the community.

Help Heal the Environment - One Cardboard Box at a Time

The Tri-Faith Gardens is looking for donations of cardboard for their mulching project. Any size of cardboard is welcome, but the bigger the better. Before donating the cardboard, please be sure to remove all plastic tape, labels and any metal from the cardboard.

Recycling cardboard is a great way to reduce waste and help the environment. By recycling your cardboard, you can help reduce landfill waste and promote sustainable practices. Plus, you'll be helping the Tri-Faith Gardens with their project, which is a great way to give back to the Tri-Faith and greater Omaha community.

So, gather up all your unwanted cardboard and help make the world a greener place! Bring your cardboard to the church office by March 11!

Faith as the Clouds

Continued from page 1

looking up at the sky. I looked up at the clouds and noticed they weren't all in motion to the same degree as others around them. No one cloud was like any of the others around it. There were similarities to be sure but every cloud was distinctly its own being separate and apart from any of the others.

One was headed in one direction and just below it, another skirted underneath headed in a slightly different direction. It looked for a moment there would be a collision but what would it matter? They were clouds, not cars! Around the fringes of each cloud, I could see how they were constantly disappearing and reappearing. I suppose if I could have seen the entire cloud clearly, I would have noticed the entirety of the cloud was simultaneously melting and morphing.

Faith, like the clouds carried aloft above us, is dynamic and alive. It's wispy and ever-changing, growing and failing all in the same moment. You can be headed in different directions at times while also recognizing that you are being carried aloft by a power beyond yourself. No matter what you use as a metaphor to say the unsayable, know that God is in it all with you. God is a part of your thinking and a part of your being. God is with you in the doing of faith, whether you're succeeding in the moment or failing.

*All is gift,
the air I breathe,
the wind through the trees,
the breath of God
breathes in them and in me.
I breathe the air that
Jesus breathed.
I feel the wind that Mary felt.
Every breath a thanks,
every breeze a praise.*

Get Connected!

Countryside offers many opportunities to connect with one another and the community. Read the weekly C-10 for current and expanded information on these and other groups, events, and programs.

Social groups meet for the sheer joy of connecting with friends old and new. Some gather at the same location week to week, like Fellowship Arts and Music Etc. This group meets each Friday in the Common Grounds for – you guessed it – activities that revolve around arts and music. Others, like the Lunch Bunch, meet once a month at various venues. A devoted small group of young Dungeons and Dragons aficionados meet each Friday evening for gameplay. On Sundays, a small group of junior high school students meets just for the joy of fun and games!

Journey Groups meet weekly to discuss and discover what our Still-speaking God calls us to do in our lives, community and the world. In the process, we form deep relationships offering support to one another through life's journey. Journey groups meet in person, although some groups offer a hybrid Zoom option. Journey Groups are always being formed. If you're interested in joining a Journey Group, contact the church office.

Study & Interest groups meet to expand their horizons on specific or narrow topics of interest. Some move beyond deepening their understanding and awareness to become involved in the greater community. Some of the existing purpose-driven groups that meet in person include the Sunday Morning Racial Justice Book Group, Banned Book Lovers Group (third Monday of each month), and Banned Books Small Group (Tuesdays at 6:30). Race in America, a weekly Wednesday night group, meets on Zoom only. Phoenix

Affirmations groups delve into the 12 principles that guide Progressive Christianity. There's even a new poetry-focused group!

Bible Study groups focus on developing and deepening our understanding of what it means to be a Christian in today's world. Some meet on a regular schedule, others for a specific period of time. Rev. Don Sartor's extremely popular Bible Study group's current series is *Understanding Our Roots*, a 10-week study focusing on Luke's work organizing the many oral and written accounts of Jesus.

Educational small groups, like Adult Forum, meet to hear about and discuss various topics of interest. This group meets each Sunday after church service. Its most recent series focused on the history of world economics. Some small group opportunities are less structured. For example, the Impact Speaker program brings in outside experts on trending and important topics, like the impact of immigration on Nebraska's economy. Impact Speakers are presented on Recharge Wednesdays.

Volunteer Opportunities

Countryside has so many events and programs that offer volunteer opportunities, including office staffing, the Garden of Hope, Countryside Pantry, and special events such as the Ice Cream Festival, United We Walk, and Pride Parade. Check the weekly C-10 for the latest opportunities to get connected and make a difference!

Another Way to Get Involved: Tri-Faith Gardens

The [Tri-Faith Gardens](#) is a joint effort of all three faith partners and others not affiliated with any of the Tri-Faith Congregations. We began in 2019 with eight, 4 ft x 12 ft. raised beds. We now have 16 raised beds with 4,317 square feet of garden space devoted to growing plants for community food pantries. Last year the Tri-Faith Garden produced more than 5,300 lbs.

Several UNO classes have volunteered and studied the garden. We're presently involved with the UNO Scott Scholars, who want to develop a program to help us in ways we may not have envisioned. We've partnered with the Native American community and planted their ancestral corn using their 'Three Sisters' method and provided corn for their ceremonial use. We'll be featured in two video projects, The [Harvard Pluralism Project](#) and a documentary by [Iron Zeal Films](#).

We invite you to join the gardening group, no experience is needed. All skill levels are welcome. We also need non-gardening volunteers to help with data entry, making plant labels, consulting on planting plans, researching seed varieties adapted to our environment, and delivering produce.

Join us at FAME!

Fellowship, Arts, Music, and Etc. (FAME) has been around for a long time, thanks to the dedication and hard work of Jim and Jane Dalen, former members of the Countryside congregation. They created the group for seniors to connect with each other in a fun and safe environment, but it's not just for seniors. FAME welcomes everyone to come and participate in a wide range of activities.

If you're interested in painting, coloring, or creating your own drawings, FAME is the perfect place for you. The group also offers opportunities for sticker book pictures, needlework, and other craft projects. Bring your own project or simply come for a cup of hot coffee and a treat or two. FAME is also a great place to have meaningful conversations, tell jokes, and share stories with a group of caring and compassionate people.

In addition to the regular activities, FAME also goes on field trips. In the past, the group has visited historic homes in Omaha and learned about the history of each house. They also had a wonderful trip to Lauritzen Gardens, where they enjoyed a delicious lunch in a beautiful setting. Brunch is a high priority for the group and they frequent different restaurants. Everything they do is fun and meaningful.

If you're looking for a way to connect with others and have fun, FAME is the perfect place for you. The group meets every Friday at 10 AM in the Common Grounds and they would love to see you there. Don't hesitate, come and see for yourself all the things FAME has to offer.

UNDERSTANDING OUR ROOTS

Bible Study with Don Sarton, *Understanding Our Roots*, continues Wednesdays nights from 6-7:30 p.m. The study delves deeper into the work of Luke and explores its spiritual roots. By looking at the text through the perspectives of various scholars and utilizing various resources, we hope to gain a more thorough understanding of the book.

We hope to not only gain an intellectual understanding of Luke, but understand the spiritual foundations that allowed a diverse group of people, including Jews, God-Fearers, and Gentiles, to come together and form a movement centered on the belief in Jesus as the Messiah and the grace and love of God as revealed through him. We hope that this study will help us gain insight into the roots of the Christian faith and the ways in which it has evolved over time.

February Box: Countryside Cupboard

The Board of Christian Outreach has chosen Countryside's own Community Cupboard as the recipient of the month for February. This is an excellent opportunity for the community to come together and help those in need by providing them with essential food items.

Most importantly, we need protein items.

Canned and packaged meats, stews, chili, peanut butter, and other shelf-stable proteins are suitable. These items are not only nutritious but also easy to store and transport, making them ideal for those who are in need.

With the high demand on food pantries in Omaha, it is crucial that our patrons have access to additional protein to help feed their

families. This is where you can step in and make a difference. By adding a few items to your grocery list, you can help provide essential nutrition to those who need it the most.

The first Saturday morning of each month, the Cupboard is open until all the available food is distributed. You can drop off your gifts in the Box located at the front door of the church. Your generosity is greatly appreciated and will make a significant impact in the lives of those in need.

Let's all come together and help the Community Cupboard provide essential food items to those in need. Your small act of kindness can make a big difference in the lives of those who are struggling. Thank you for your support!

Pastoral Search Committee Update

The Pastoral Search Committee (PSC) has kicked off the new year with a Saturday retreat to discuss and develop our review of candidate profiles as well as outline the interview processes we intend to follow. Individuals interested in applying

for our senior minister position apply by submitting their respective candidate profile.

The PSC is excited to share that we have begun to receive candidate profiles. We are also making concerted efforts to reach out to others who can share within their networks that our Church Profile has been posted. We are also advertising our senior minister opening in the Christian Century and Sojourner publications. We intend to do all we can to get the word out and create a strong pool of candidates.

A special thank you to Associate Conference Minister Sarah Jones and Pastor Keith who have both been readily accessible to answer any questions and guide us throughout this journey. As Sharon Royers mentioned in our monthly update on Sunday, January 15, we encourage all congregants to contact any personal connections you may have who could be interested in our senior pastor position at Countryside Community Church. If you haven't had an opportunity, please view our Church Profile on our website for further information. You can also reach us at pastoralsearchcommittee@countrysideucc.org with any comments, questions or concerns.

New A2A Committee Update Focused on Accessibility

As a community of believers, we strive to be inclusive and welcoming to all, which is why we want to bring attention to our Accessible to All (A2A) committee. The A2A committee is dedicated to educating our congregation, advocating for changes, and assisting community members with disabilities.

Did you know we have large print bulletins at every service? We also have hearing amplification devices and several mobility items, including wheelchairs, walkers, bath stools, canes, and crutches. If you or someone you know would benefit from using these items, please let us know.

We want to continue to support our members in any way we can. If you have suggestions or ideas, bring them to the suggestion box on the welcome table in the foyer. Suggestions can be anonymous if you prefer. If you have questions or need more information, email [Emily Wadhams](mailto:Emily.Wadhams@emshee02@yahoo.com) at emshee02@yahoo.com.

Let's continue to make Countryside Community Church a welcoming and inclusive space for all.

Getting to Know You

Have you met new member Kari Randazzo and her daughter Paisley? Kari joined last December and is now working in the nursery on Wednesday nights!

Temple Welcomes New Rabbi

Temple Israel is welcoming Rabbi Benjamin Sharff as the next Senior Rabbi of Temple Israel. Rabbi Sharff brings a wealth of experience and leadership to the congregation, having served as Rabbi for The Reform Temple of Rockland in Upper Nyack, New York since 2016. He also served as Senior Rabbi at Har Sinai Congregation in Baltimore and Assistant/Associate Rabbi at Temple Emanu-El in Tucson, Arizona.

Rabbi Sharff's rabbinic leadership is both deep and wide-ranging, with a particular focus on social justice. As a URJ Religious Action Center Brickner Fellow, he brings new ideas for congregational engagement, innovative Shabbat experiences, and involvement in both the Jewish and secular communities. Rabbi Sharff is excited to collaborate with Rabbi Berezin, Cantor Alexander, Rabbi Azriel, the staff, and lay leadership to usher in a new chapter in Temple Israel's storied history. His tenure starts in July.

Rabbi Sharff and his wife, Joy, have three children: Emily (16), Noah (13), and Alex (9). Rabbi Sharff quickly fell in love with our community during his visit. We look forward to the contributions he will make to Temple Israel and the Tri-Faith community.
